by Robert Gamon

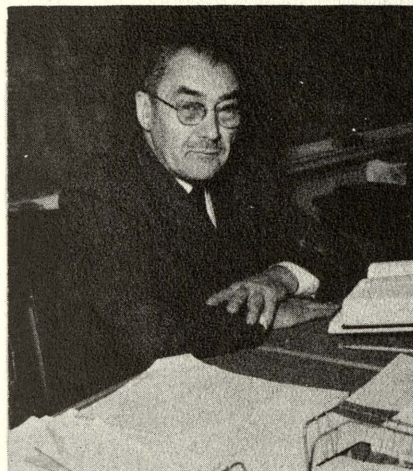

In this day and age, young people play important roles. We are the ones who, in a few years, will be driving cars, raising families, and voting.

Yes, we have many responsibilities. And, one of them is to attend school. This, in one sense, surpasses all of our duties. Because, to be successful in life we must have good jobs and to have good jobs we must have a lot of experience and background in the field of knowledge.

Those of us who attend Central Junior are among the ones who will become the future leaders. If we do not take pride in all that we do in life, we might as well imitate the ostrich, who in times of danger, trial, or great responsibility, just sticks his head into the ground.

However, if this is your attitude, our country is not the place for you, because, you are expected to do your part, and if you fail, the United States will start on the way to destruction. It is our responsibility to maintain the high standards established by our country and a good portion of training can be obtained by doing well, in school.

Remember: "Strive to make your country thrive".

The journalism class dedicates this year's Annual to Mr. J. Cullen McDonald , who passed away, Saturday, September 24, 1966.

Mr. McDonald was born August 14, 1901, and came to Central Junior in 1944. Over a period of 22 years, he taught science, auditorium, math, history, and geography. He has guided thousands of students through their junior high school days.

SAGINAW BOARD OF EDUCATION
Left to Right: Walter Leesch, Walter Averill, R. Joseph Heagany,
D. John Goodsell, Charles C. Coulter, Harold Karls, John Picard,
Eugene Stansbury.

Dear Pupils:

How successful you are in life depends a great deal on how much you have learned and how well you apply this knowledge. You learn by experience--your own in addition to that of some one else. Use this experience wisely and apply your knowledge as you continue your education either here at Central Junior or in senior high school.

To all of you--we wish you a pleasant, happy, and well earned summer vacation.

Irving W. Burt
Principal

One of the qualities which your teachers at CENTRAL JUNIOR have tried to stress is RESPONSIBILITY. In our school motto of "DO RIGHT" we try to emphasize RESPONSIBILITY - for everything we do and say in every facet of our lives.

If, we learn to accept this virtue, we shall all lead useful and fruitful lives to be a joy to all with whom we come in contact.

May you always "DO RIGHT".

Josephine M. Klempnow

As I look back through the years and recall memories of my experiences in the seventh, eighth and ninth grades I realize what a tremendous effect my association at that time had on my life.

Again may I say, prepare for the future. What you do and think today will determine what and where you will be in years to come.

My best wishes go with all of you.

THE CLASS PROPHECY

by Barb Balewicz

As I sit here in my rocket ship, I would like to tell you of my adventures with the ship and things that have been happening.

The reason why we are on the ship is that we are celebrating a daring feat that has been accomplished by MARTY WYATT, the world's first woman astronaut. She landed on the moon in 1972, and returned safely.

Please allow me to escort you on a tour of the ship. First, we visit the guest of honor herself, at a party given by some of her friends. MARTY, at the moment, is giving a speech about an amazing discovery she made while visiting the moon--that the moon is hollow. She also captured a creature from outer space, which we shall go and see right now.

As we enter the lab, we see two very famous doctors analyzing the creature. They are Dr. GEORGE HUNTER and Dr. LENNIE MUELLER. As we move on, we observe a mad scientist, KRISTIE WALLE.

Now, we visit a hall in which a show is to be held later on tonight. The stage crew, FRANK LOFARO, DAVID RAASCH, and BILLY THOMPSON are setting up chairs for the show tonight. The show will consist of many comedy, singing, dancing, and other such acts.

Next, we visit a room where a bridal party is preparing for a wedding. The most important members of the wedding are JUDY COLVIN and RENNA HARNESS. JUDY's matron of honor is none other than MRS. DONALD HEARIN, the former PEGGY MOORE. Her husband, DONALD HEARIN, is RENNA'S best man.

Now it is time for the show. We get front-row seats.

First on stage is a great opera singer, DAVID DULANEY. MR. DULANEY was lucky to be able to find time to perform tonight, because he has been busy competing in track meets.

Second on stage is a world famous comedian, KEN KARLS. KEN decided to become a comedian after Harvard University refused to accept him.

The next performers are the fighting couples. One is SHELIA BENNETT and TEDDY PRINCE, who married three years ago in 1969. Ever since then, they have been fighting madly, and want a divorce, but no one will give them one because they are so good at quarreling.

Next in line are another duo fighting team. One member is CATHY DEJA, alias Cassius Clay, and the other is DIANE PAGEL, alias Ernie Terell.

The fifth set of performers are the a-go-go girls, who must be given some

recognition for adding some life to this crazy hanky-panky. They are: YVONNE BOYD, JOYCE BRANDON, MARTY DANKS, JEANNE ELLIOTT, DIANE HERNANDEZ, ANA LEBRON, PAT MINNICH, DEBBIE ROMANELLI, CHAR SAWATZKE, LINDA SHAFFER, HAZEL STOCKTON, JANICE TROXELL, LEATRICE WASHINGTON, and DOROTHY KELLY. Their leader and dancing teacher is WENDELL WATSON, who is definitely the reason for such a great team of a-go-go girls.

The sixth actor is MIKE MURRAY, a famous procrastinator. He is known the world over for trying to beat Senator JERRY WOODS to the Presidency. Too bad neither of the boys won. They didn't have a chance with the competition. President BILL BRANDEL was giving. BILL was elected President because he is a professional nose-itcher and popular with people.

Next on stage is BILL HARPER, alias Nipsy Russell, who is the man's lightweight champ. Tonight he will wrestle DOROTHEA FRAZIER, the woman's heavyweight wrestling champ.

The eighth actors are the team of KELLY-ENCISO. ALLAN KELLY would not have won the World's Freckle Contest without the help of ALLEN ENCISO, who made sure KELLY got 999,999 freckles on his face, neck, and arms without difficulty. MR. KELLY has come tonight to show off.

Speaking of beauty, we have next this year's Miss America. She is the lovely MICKIE ROUSE. Her runners-up are also appearing with her. They are THELMA BADDY and JUDY GAMON. JUDY got into the contest because she was a patient of the famous plastic surgeon, her brother, DR. BOB GAMON. DR. GABRIEL NAJERA, the richest man on the ship, is a brain surgeon and has worked wonders.

The next performer, or, should I say, talker, is the great Latin professor, BILL BETTESWORTH. BILL gets lots of laughs because he talks of nothing but Latin all the time.

Last, but not least, on the program, are a dancing team, the "Wiggle Worms." They are, as follows: GWEN PORTERFIELD, RUDY SERRATO, VERA SNEAD, and VERA WOODS.

Well, I guess that's about it for now--but wait! I regret forgetting to tell you about all the recent marriages that have taken place. They are: MARY COMPIAN to ABEL GONZALES, FRANKIE CARTER to RAY CROMMATIE, NANCY HALL to TYRONE SPAIN, FRED HOLMES to KEVAN JACKSON, VALERIE McMILLAN to NAT FERRELL, BEVERLY STEPHENS to DAVE PIERSALL, and WENDY JONES to THOMAS WILKINS.
